PUBG Mobile Tournament Rule Book

Organized by:

Society of Mechanical and Aerospace Engineering Students (SOMAES)
Tribhuvan University, Kathmandu, Nepal

1. General Rules

1. All official PUBG Mobile tournament rules are strictly followed. Any rule not mentioned here but applicable in standard tournaments will be enforced.
2. Clan tags are compulsory. Each squad must have at least 2 players with the same clan tag. Less than 2 tags or non-tag teams must be mentioned as **NON TAG** during registration.
3. Usage of flare gun is strictly prohibited. Any usage will lead to immediate ban.
4. Using verbal or abusive words in ALL CHAT will lead to immediate ban.
5. Waiting time will be 6–8 minutes after Room ID and Password are provided. Late entries will not be entertained.
6. Players must join their assigned slots only. Joining wrong slots will result in the player being kicked.

7. Any illegal activities or usage of third-party applications will lead to permanent ban.
8. Wastage of slot will lead to ban or disqualification.
9. One player can register only for one squad. If registered for two squads, inform the management team or register using another PUBG ID.
10. Teaming up with other squads is strictly prohibited and will lead to immediate ban.
11. Players are requested to take screenshots. Proof may be demanded to avoid false allegations.
12. One player from each squad must mandatorily record POV gameplay. Failure to provide POV when asked will result in immediate disqualification.

2. Allowed & Prohibited Gameplay
